

Feel like you could do with a bit of extra help?

Wood Street Mission is a children's charity supporting families from Manchester and Salford who are struggling to make ends meet. We offer help with the practical things that can make a big difference to everyday life.

Whether you need practical help, advice or just a chat to see what we could do for you then get in touch. Sometimes we all need a little extra help and that is exactly why we're here.

Ask someone who knows your family well, for example, a teacher, support worker or health visitor to download a referral form from our website and ask them to send it to us. We will then be in touch and invite you to come and see us.

As a charity our service relies on donations, so we cannot guarantee the level of support we can offer, but will do our best to help.
