TOGETHER WE CAN TOWER OVER POVERTY

Join our team for a thrilling 170ft outdoor abseil at the Trafford Palazzo to help local families affected by poverty. With two abseil lines running on the day, this is a great opportunity for a solo challenge, or to team up with colleagues, friends or family to make a difference.

Take things to the next level in 2024, and join the Wood Street Mission team to tackle this towering challenge!

Registration costs £60, and we ask that each participant raises a minimum of £100 to take part in this event.

On the day, a representative from our team will be there to cheer you along, and every participation will receive a Wood Street Mission t-shirt to wear proudly as you take on the tower!

By taking part in this challenge, you'll be supporting our Smart Start project, which provides school uniform for children affected by poverty. This ensures that they feel confident in the classroom, so that they can engage with their education.
